### **Sen. McManus announces downtown improvement funding for Mesick**

**LANSING** – The village of Mesick has been awarded more than \$360,000 in Community Development Block Grant funds to make improvements to its downtown corridor, announced Sen. Michelle McManus, R-Lake Leelanau.

“The residents of Mesick will benefit greatly from this project,” McManus said. “By slowing traffic through Mesick and creating more parking, the village will remove a major roadblock to economic development there.”

Mesick will use the funds to convert the stretch of M-115 through the village from four lanes to two lanes with a turn lane. This will slow traffic through Mesick and allow for limited on-street parking.
